

Plant Production and Maintenance Assistant

Reports to: Location Manager

Location: Crysler, ON

Harvex Agromart Inc. is a full-service farm supply business serving Eastern Ontario from our four locations. We proudly provide crop inputs, agronomic expertise, and services to our loyal customer base, supporting local farms with the products and knowledge they need to succeed.

Key Responsibilities (include but not limited to):

- Mixing fertilizer (dry and some liquids)
- Operating skid steer loader
- Equipment maintenance
- Plant maintenance
- Delivery of products

Working Conditions:

- Seasonality of the role requires long hours during the Spring and possibly into Summer (90+ hrs/week), managing multiple priorities in a fast-paced environment
- Heavy lifting and physical labour will be required

Minimum Qualifications and Skills:

- Valid Driver's license
- D-Z license (*asset*)
- Forklift propane license (*asset, but can provide training*)
- Familiarity with fertilizer and chemicals
- Good customer relations skills
- Flexibility to work long hours and weekends during busy season
- Ability to fix and repair fertilizer equipment
- Long term team player

This is a full-time position with competitive wages and benefits.

Only qualified candidates will be contacted for interviews – no telephone calls please

Send resumes to the attention of Sylvain Lafrance via email: slafranc@harvex.com
